

Park Rules ... 2006 Lake Whitney Motocross

- ❖ **NO PIT BIKES or QUADS ALLOWED:** Due to the unnecessary manpower, expense, injuries and abuse of this privilege that has occurred over the past few years, we will enforce **ZERO TOLERANCE!** Pit Bikes will be locked up AND fine imposed! THIS IS THE ONLY WARNING YOU WILL RECEIVE! Licensed mopeds (must wear helmet) will be allowed...operated as a means of transportation in & out of the park. They may not be used as pit vehicles. A licensed driver at least 18 years old with current AMA card may purchase a \$20 permit to operate mules & golf carts in a safe, responsible manner only. Please keep the dust down. They may not enter any restricted area, any spectator or foot traffic areas. We will have designated golf cart & mule parking. At the time of this publication, Lee Smith of Metro Golf Carts will be providing rentals during the week of the race.
- ❖ **NO CHECK\$** allowed at the track. No exceptions! **CASH ONLY** accepted for gate fees, camping or RV spots at the gate. We now accept Visa, MasterCard, and Discover & American Express on the Official Pre-Entry form, online registration and post registration ONLY.
- ❖ **WRISTBANDS** must be worn at all times: Please keep your receipts. You will need your wristband to register, practice, race and while in the park. If your band becomes tattered and worn you may exchange it with the event clerk at the tower. Loss of band will require the purchase of another.
- ❖ **ABSOLUTELY NO TRESPASSING** outside the fenced boundaries of the MX Park: This includes the hill adjacent to the track, either by foot or the access road. Please stay off the hill. Due to the abundance of wildlife on the property and hunters on the Ranch, anyone who disregards this rule will be disqualified without refund and escorted off the property. All 'WB Ranch' personnel have the authority to enforce this rule with penalties.
- ❖ **NO JUMPING THE FENCE:** No persons or unauthorized vehicles are permitted within the boundaries of the racecourse, for any reason, any time.
- ❖ **NO HUNTING** or firearms allowed. The fishing is fantastic ... bring your fishing pole!
- ❖ **CAMPFIRES:** The Ranch will advise us if campfires are allowed. If permitted, they must be contained within a metal barrier. We have a few fire rings available for use.
- ❖ **NO LITTERING:** Trash containers are provided. If they are full, please bag your garbage and set it next to the existing barrel for pick up. Thank you! We provide on the premise receptacles for gas & oil dumping.
- ❖ **CAMPING:** The water & electrical hook-ups are only to be used by the one vehicle or person paying for the designated spot. We do not allow, "sharing" of utilities.
- ❖ There is **NO DUMPING** of any tanks whatsoever of motor homes or campers. This will be strictly enforced. Violators will be ejected from the property. Daily pumping service is usually available for a fee.
- ❖ **DO NOT SET UP ANY BUSINESS IN YOUR PIT AREA!** NO videoing or photography except for personal use, absolutely NO vending or merchandising of any type without prior approval of Moto-Mgmt., LP

➔ If you arrive at the Park prior to the scheduled opening at 2 PM on March 5th, you will need to line up in an orderly manner inside the boundaries of WB Ranch, but not within the boundaries of the track, which begins at the "cattle guards". You must remain with your vehicle in case of an emergency. To prevent any delay of the gates opening on time, please allow room enough on the road for staff, vendors and sponsors with large trucks, motor homes and SEMI rigs to come through on your left. Park as far to the right hand side of the road as possible. **Do not park on turns** ... inside or out. Your cooperation is greatly appreciated. If your vehicle prevents the entrance of those mentioned above...you will need to pull forward when directed to do so, turn around, then, lineup at the BACK of the line. We will begin selling parking/camping & gate passes at noon on March 5th. All persons in your group must be available to receive their armbands and sign the waiver / release. At 2 PM on March 5th the gates will open. If you plan to pit with someone, plan to arrive at the same time, as staff will be escorting you in to park. You may NOT save any area for friends or family. Again, plan to arrive together.
